DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8/25/2006 & 9/25/2006 has been entered.

Response to Arguments

2. Applicant's arguments, filed 8/25/2006, with respect to claims 5, 7, 8, 13 & 15-20 have been fully considered and are persuasive. The rejection of these claims has been withdrawn.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: *(Note that amendments are shown in strikethrough and underline to correct minor grammatical errors to provide proper antecedent basis in the claims).*

Regarding **claim 7**, lines 14-15 on page 3, the limitations "moving-averaging the average black reference values for the plurality of lines" have been amended as -- **moving-averaging ~~the averages~~ of the black reference values for the plurality of lines** --.

Regarding **claim 13**, lines 7-8 on page 4, the limitations "a moving average of the averages of black reference values for the plurality of lines" have been amended as -- **a moving average of ~~the averages~~ of the black reference values for the plurality of lines** --.

Regarding **claim 15**, lines 1-2 on page 5, the limitations "moving-averaging the averages of black reference values for the plurality of lines" have been amended as -- **moving-averaging ~~the averages~~ of the black reference values for the plurality of lines** --.

Allowable Subject Matter

4. Claims 5, 7, 8, 13 & 15-20 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 5, 13, the prior art of record fails to teach or fairly suggest the combination of all limitations required in each of claims 5 & 13 that includes "...~~the~~

black reference level is a moving average of averages of the black reference values for the plurality of lines..."

Regarding claims 7 & 15, the prior of record also fails to teach or fairly suggest the combination of all limitations required in each of claims 7 & 15 that includes **"...the black reference level for each line is obtained from moving-averaging averages of the black reference values for the plurality of lines."**

Regarding claim 17, this claim is allowed as being dependent from claim 5.

Regarding claims 8 & 18, these claims are allowed as being dependent from claim 7.

Regarding claim 19, this claim is allowed as being dependent from claim 13.

Regarding claims 16 & 20, these claims are allowed as being dependent from claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
